SCENE 1: THE OPENING CRAWL

Alvin and the Chipmunks

Episode MDCLXI

THE EMPIRE STRIKES BACKYARD

It is a DARK TIME for the Galaxy. Since the victory at NABOO and the death of QUI GON JINN, the Trade Federation, controlled by DARTH SIDIOUS, has turned against the citizens of the Republic.

Unaware of the Sith Lord's plan, the Jedi Council has proclaimed a newfound peace in the Galaxy. JEDI KNIGHTS, guardians of peace and justice, have been reassigned to more domestic tasks.

Now Lord Sidious has initiated moves against the CHOSEN ONE. Bounty Hunters from across the GALAXY have been summoned to meet with the DARK LORD. However, a newly trained Jedi Master has foreseen the Sith's intentions....

SCENE 2: THE EMPEROR'S THRONE ROOM

After the scrolling text we pan down to a speeding ship. We then mix to an establishing shot of the Emperor's Throne Room.

We enter the Throne Room once more. The Emperor rotates from the window to command Wheezie a subordinate.

THE EMPEROR:
Yes commander Wheezie. What is it?

COMMANDER WHEEZIE:
My lord, the bounty hunters are arrive.

THE EMPEROR:
Good. Send them in.

COMMANDER WHEEZIE:
Yes my lord! Zaky?

LIEUTENANT ZAK:
Yes Wheezie!

Finally we cut to the Emperor's Throne. We begin with general shot before cutting to the Blast door opening. We see He is facing towards the window away from the camera. He slowly turns around...

THE EMPEROR:
I have brought you bounty hunters here before me for there has been a disturbance in the Force.

We then see the 5 bounty hunters. A Sqirrel from Texas, a Duck from Looney Tunes, a Bunny from Looney Tunes, and a strange figures in a dark brown cloaks – we cannot see their faces.

THE EMPEROR: (cont'd)
We have a new prisoners - Brittany Miller and the chipettes and a new enemy – Anakin Skywalker. You are to search the galaxy, find the chosen one and the rest of you bring the girls before me.

DAFFY DUCK:
No problem.

BUGS BUNNY:
Excuse us mate, who is this Anakin Skywalker bloke? I mean, does he surf?

SANDY CHEEKS:
Loike Anakin Skywalker, he do be loike that wun who no loike be bringin loike balance to the Force and do be loike doing...

DAFFY DUCK:
Yeah but wait... lyche, he’s lyche no match for someone lyche dat are we. I mean he’s lyche, he’s lyche great ain’t he??

THE EMPEROR:
Your mission will not be easy, but he will be no match for the Sith.

BUGS BUNNY:
No mate, you see. What are we gonna do when we find this guy, like? I mean, we’re no match for him. What if we fail? Didn’t think of that did ya Sport!

Moving his head, the Emperor’s eyes meet the bugs bunny’s. We hear a rumble as the bugs bunny begins to choke.

THE EMPEROR:
I can see your destiny likes along a different path to the one I had foreseen.

(We cut to the Bugs bunny choking before returning to the Emperor. He addresses the remainder.)

THE EMPEROR: (cont'd)
Find Skywalker, capture him and bring the girls before me. I will not tolerate failure.

(On the word failure the Australian slumps to the floor.)

THE EMPEROR: (cont'd)
My probe droids have reliably informed me that he is to be found on that infernal planet, Naboo. Begin your search there. It is rumoured that during the temporary absence of the Sith, the Jedi have been assigned to more domestic tasks. They will not present any opposition for you. Leave immediately. I will await your signal.

THE BOUNTY HUNTERS:
(in appropriate accents)
Yes my Lord.

We see the remaining hunters bow in respect, turn around, and walk away leaving the body of bugs bunny.

SANDY CHEEKS:
Oh dearie me! Isn’t that where Darth Sidious and the Trade Federation failed miserably in their attempt to impose a trade blockade?

THE EMPEROR:
(looking on)
That is not your concern.

DAFFY DUCK:
Who could have thought that just two Jedi Knights could completely foil such a massive army?

THE EMPEROR:
Look, there weren’t just two Jedi Knights. How were we... they supposed to know that the Gungans would appear with a massive army, and as for that decoy Queen, well I think she took everyone by surprise.

SANDY CHEEKS:
Well I for one would have thought it was pretty obvious!

Sandy Cheeks is nudged by one of the other hunters. The Emperor coughs to get their attention. They turn around where we see the Emperor pointing to the dead Hunter. The Bounty hunters repeatedly bow whilst walking backwards out of the room.

THE EMPEROR:
Wait!

They all turn around.

THE EMPEROR: (cont'd)
You guys in the cloaks! Haven’t I seen you somewhere before?

The Bounty Hunters look on. The hooded figures lowers their heads further.

THE EMPEROR: (cont'd)
Guards! Bring them to me.

The Guards cautiously approach the figures. The Bounty Hunters become increasingly agitated. Eventually, the Guards are close enough to apprehend the figure. As they try to grab him they are pushed back by the Force. two lightsabers are ignited just in time to deflect the two incoming lasers from the guards. The Figures lowers his hood to reveal Obi-Wan Kenobi and Alvin Seville!

DAFFY DUCK:
Oh no! It’s a chipmunk and a Jedi Knight!

One of the guards tries to attack him but is swiftly cut down. The Jedi and the chipmunk deflects a few more lasers before escaping through the blast door.

SANDY CHEEKS:
Hey! These Jedi Knights are tougher than I thought!

THE EMPEROR:
Told you didn’t I!

The remaining Bounty Hunters leave as the Emperor pivots back to the stars.

SCENE 3: RESCUING THE CHIPETTES

Alvin and Obi-Wan runs to the Star Destroyer prisoner cell.

OBI-WAN KENOBI:
(whispering)
Alvin, I'm going back to my ship. Rescue the girls you must now.

ALVIN SEVILLE:
(whispering)
I will master.

OBI-WAN KENOBI:
(whispering)
I will await your signal. Here, put these on and rescue them.

ALVIN SEVILLE:
(whispering)
Yes master.

OBI-WAN KENOBI:
Good luck, and may the force be with you.

They split up. Alvin goes round a corner to rescue the Chipettes.

The cell door WHOOSHES OPEN -- a Imperial Guard enters. Poe remains shackled, worse for wear. A IMPERIAL GUARD here.

ALVIN SEVILLE:
The Emperor wants the Girls.

TIGHT ON THE GIRLS, in pain, drained, as the Guard unshackles him.

SCENE 4: ESCAPING FROM THE TRADE FEDERATION SHIP

An exhausted, handcuffed Poe is walked down the corridor by the Imperial Guard, who holds a blaster at Girls' bodies.

ALVIN SEVILLE:
Turn here.

The girls turns into a narrow passageway --

Heading down the narrow hall the Imperial Guard stops the girls.

ALVIN SEVILLE: (cont'd)
Listen carefully: you do exactly as I say, I can get you out of here.

BRITTANY MILLER:
(coming to)
If -- what did you say--?

The Imperial guard pulls off his helmet: IT IS ALVIN SEVILLE.

ALVIN SEVILLE:
This is a rescue, I'm helping you escape. Can you fly a Naboo fighter?

JEANETTE MILLER:
You with the Jedi Knight--?!

ALVIN SEVILLE:
What? No no no! I'm breaking you out with him. Can you fly a Naboo fighter?

BRITTANY MILLER:
We can fly anything. Why, why are you helping us?

ALVIN SEVILLE:
Because it's the right thing to do.

ELEANOR MILLER:
You need a Jedi Knight.

ALVIN SEVILLE:
I do have a Jedi Knight. His name is Obi-Wan Kenobi.

And the girls, seeing this is for real, smiles a hero's smile.

JEANETTE MILLER:
We're gonna do this.

ALVIN SEVILLE:
(unsure but hopeful)
... Yeah?

They're escaping with Alvin Seville to the Naboo Fighters.

Back at the Hanger, Alvin and the Chipettes are escaping from the Trade federation droids and guards searching for Obi-Wan's signal.

ALVIN SEVILLE: (cont'd)
(Talking on a walkie talke)
Obi-Wan, I got the girls.

OBI-WAN KENOBI:
Good! I got your signal. See the Naboo fighters behind me?

ALVIN SEVILLE:
Yes master. I see it.

OBI-WAN KENOBI:
Your fighters are over there.

ALVIN SEVILLE:
Thanks master. Okay, come on girls. This way.

Alvin walks quickly toward the far wall -- the girls follows -- up the stairs to the Naboo Fighters.

SCENE 5: THE FIRST SPACE BATTLE

Alvin and the girls (wincing, sore) drop into their each cockpits. Alvin pulls off his helmet as Brittany removes his cuffs and jacket, fires up the ship with excitement.

BRITTANY MILLER:
I always wanted to fly one of these things. Can ya shoot?

ALVIN SEVILLE:
Yeah! I can do that. Yeah.

JEANETTE MILLER:
Okay, same principal!

ELEANOR MILLER:
Use the toggle on the left to switch between missiles, cannons, and mag pulse -- use the site on the right to aim, triggers to fire!

ALVIN SEVILLE:
This is very complicated.

Back at the Throne Room once more. The Emperor rotates from the window to command a subordinate.

THE EMPEROR:
Yes Commander. What is it?

IMPERIAL GUARD #1:
My Lord, Comscan has detected a small fighters that has just blasted off back to Naboo.

THE EMPEROR:
I see. Well done, Commander. (we hear the rumbling noise of the Force) Your initiative serves you well.

The Emperor kills him

THE EMPEROR: (cont'd)
No one likes a smart-arse! (The Emperor signals the guards to take the body away)

The Naboo Fighters LIFTS OFF from the bay, rips CHARGING cables! The Droid army UNPACK and aim BLASTERS.

Alvin opens fire.

ALVIN TEARS UP PARKED DROID FIGHTERS and GUN EMPLACEMENTS WITH WELL-AIMED, STRATEGIC LASER BLASTS! Hits the CONTROL ROOM!

THE WINDOWS ARE BLOWN IN BY LASER BLASTS!

BRITTANY MILLER:
Punch it, Alvin.

The Naboo Fighters and the Jedi fighter blasts from the ship -- Alvin pilots -- amazed, almost enjoying it.

ALVIN SEVILLE:
Woooahhh! This thing really moves.

OBI-WAN KENOBI:
All right, we gotta take out as many cannons as we can or we're not gonna get very far!

ALVIN SEVILLE:
All right!

OBI-WAN KENOBI:
I'm gonna get us in position, just stay sharp!

The Jedi Fighter ARCS BACK, DIVES THROUGH THE OPENING BETWEEN THE LEVELS OF THE MASSIVE SHIP, then FLIES DOWN AND BACK, along the ship's belly --

Obi-Wan flies toward the CANONS --

ALVIN SEVILLE:
Up ahead! Up ahead! You see it? I've got us dead centered. It's a clean shot.

OBI-WAN KENOBI:
Okay, got it.

OBI-WAN gets a target, FIRES!

LASERS BLAST from the Jedi Fighter -- A SERIES OF CANNONS EXPLODE! Our TIE Fighter SLICES THROUGH the debris!

OBI-WAN KENOBI: (cont'd)
Okay, Guys. Prepare to jump to hyperspace on my mark.

ALVIN SEVILLE:
All right. Stand by.

He pulls a lever, and the stars outside begin to streak.

We are treated to an awesome sight: first the Jedi Fighter, then the Naboo Fighters ROARS INTO HYPERSPACE. And disappears.

SCENE 6: THE NABOO PALACE

Establishing shot of the Palace before we mix to inside. Anakin and Amidala are sitting on the thrones. All is well. In fact things are so well that the Jedi Knights – the guardians of peace and justice to the galaxy – have been tasked as Palace Jesters.

ANAKIN SKYWALKER:
So my Queen, any plans for this afternoon?

QUEEN AMIDALA:
I thought we might go for a walk in the gardens.

ANAKIN SKYWALKER:
Oh, that’s an idea I suppose. Mind you, I wouldn’t mind watching these juggling Jedi a bit longer. They’re really quite good.

We pan across to see the juggling Jedi. One is juggling lightsabers, one is swallowing a lightsaber, The other is skipping with a lightsaber skipping robe.

QUEEN AMIDALA:
Yes, I must say I do approve of the alternative use of the guardians of the peace during this galactic lull.

Obi-Wan enters with Alvin and the girls, knocking over the juggling Jedi.

OBI-WAN KENOBI:
(on removing hood)
Hello there!

Anakin rushes to greet his old friend.

ANAKIN SKYWALKER:
What is it?

OBI-WAN KENOBI:
I’ve felt a great disturbance in the Force, as if millions of voices cried out for a sequel and were suddenly silenced. I fear something terrible has happened.

ANAKIN SKYWALKER:
I don’t believe it, I felt the same thing!

OBI-WAN KENOBI:
Your powers are growing stronger day by day my young Padawan, as is your English accent. I foresee you will become a great Jedi Knight.

ANAKIN SKYWALKER:
Obi-Wan, we must leave at once!

OBI-WAN KENOBI:
Agreed. I have already acquired a transport that might suit us.

QUEEN AMIDALA:
Wait! Just one minute.

(Obi-Wan and Anakin turn around)

QUEEN AMIDALA: (cont'd)
Don’t think for one second Anakin Skywalker that you are going to leave me here on my own with the chipmunks and the chipettes.

We cut to the chipmunks and the chipettes.

ANAKIN SKYWALKER:
But precious...

QUEEN AMIDALA:
Don’t ‘precious’ me. I’m fed up with you and Obi-Wan gallivanting off every five minutes on some damned fool- idealistic crusade. You have responsibilities here on Naboo.

OBI-WAN KENOBI:
But your grace...

QUEEN AMIDALA:
Can it, Kenobi!

ANAKIN SKYWALKER:
Amidala. Darling. This path has been placed before me. I must fulfil my destiny.

QUEEN AMIDALA:
Oh right, like you’re gonna make a difference. Face it Annie. You’ve chosen your path, now you have to follow it!

OBI-WAN KENOBI:
Ah but wait. Your Highness, this could be a calling from the Force. We cannot ignore it. The fate of thousands of beings across the galaxy could depend on events yet to come.

Obi-Wan knowingly looks on at Anakin who in turn smiles slightly. Obi-Wan smiles back.

QUEEN AMIDALA:
Very well, you may leave...

ANAKIN SKYWALKER:
Yippee!

They turn and get ready to dash off.

QUEEN AMIDALA:
IF the Council agrees. Padme´, make arrangements for us to meet with the Council at once (facing Anakin and Obi-Wan) We will see if the will of the Jedi Council agrees with your premonition.

Anakin and Obi wan slap their heads as if they know the Council will not make a prompt decision. We pan back as they all set to leave for the Council chamber.

SCENE 7: THE JEDI COUNCIL

(We enter the Jedi Council Chamber. ANAKIN: general shot presents the awe of the Mighty Jedi. Accentuated regal hand gestures and head-nodding/shaking throughout)

MACE WINDU:
Obi-Wan Kenobi, Young Skywalker. We greet you with peace. What brings such Jedi before us?

OBI-WAN KENOBI:
Mighty Council, we come before you...

YODA:
With a request do you Master Kenobi, hmmm?

OBI-WAN KENOBI:
Yes my Master. I have felt a great disturbance...

YODA:
In the Force have you hmmmm, hmmm, hmmm?

OBI-WAN KENOBI:
Yes Master.

HOOWOT:
Explain this ... disturbance.

OBI-WAN KENOBI:
I am unsure of the significance of what I have felt, but I’m certain it can only mean one thing (Pause) The resurrection...

YODA:
Of the Sith yes heh, heh, heh, ahem, hmmm, hmmm, mmm!

OBI-WAN KENOBI:
Look, are you going to let me finish.

ANAKIN SKYWALKER:
Master!

OBI-WAN KENOBI:
I’m sorry my young Padawan, but every time it’s always the same. I can’t get a word in edgeways.

GIN GAN:
Perhaps patience is one virtue you have yet to ...

YODA:
Master hmmm hmm?

GIN GAN:
(angry) Oh for goodness sake! Will you let someone finish just one sentence! Interrupting us all the time!

MACE WINDU:
Now is not the time to question Master Yoda.

GIN GAN:
(sighs) I suppose so. (faces Obi-Wan) He is very old.

MACE WINDU:
We must combine our resources. We will discover the source of this disturbance.

GIN GAN:
(Still addressing Obi-Wan) I mean after all, how many other 800-year-olds do you know that are still working?

HOOWOT:
I fear we are being distracted.

YODA:
Fear you say?

Pause, All the Jedi look at each other in shock for they know what Yoda is about to say – We cut to Hoowot who shamefully is well aware of what he has just initiated.

YODA: (cont'd)
Fear is a path to the Dark Side. Fear leads to anger, anger leads to hate, hate leads to suffering.

OBI-WAN KENOBI:
Great Council, there isn't much time. We must discover the source of this disturbance before other star systems suffer.

MACE WINDU:
Then we must waste no more time. Obi-Wan Kenobi the council will now decide your fate by engaging in non-verbal communication. May the Force be with you.

The 2 Jedi step back, bowing in respect – We then engage in the ritual of non-verbal expressions – close shots to begin with concluding with a general shot before wiping to the next scene.

SCENE 8: THE HOLOGRAM

Darth Hopper is overseeing workers, when a Commander approaches.

IMPERIAL GUARD #2:
My Lord, the Emperor is en route from Coruscant and commands you to speak with him.

Hopper leaves and goes up to the platform, kneeling on the steps facing the windows. The Emperor appears.

THE EMPEROR:
What news of the search for young Skywalker, my faithful servant.

DARTH HOPPER:
The bounty hunters have been dispersed as you ordered.

THE EMPEROR:
Excellent, and what of your progress?

DARTH HOPPER:
I am complete, my Master.

THE EMPEROR:
Excellent, and Skywalker?

DARTH HOPPER:
The bounty hunters have begun their search.

THE EMPEROR:
Excellent, and how are you?

DARTH HOPPER:
I am as I was, my Lord.

THE EMPEROR:
Excellent, and have the bounty hunters been dispersed?

DARTH HOPPER:
Yes, my master.

THE EMPEROR:
Excellent.We shall move quickly against the Jedi. The bounty hunters are to be dispersed, and the location of Skywalker must be found. Go forth then, faithful subject, and work my will!

Music build up as Hopper walks away down a matte corridor.

SCENE 9: THE COUNCIL DELIBERATES

We return to the Jedi Council. First shot is on Obi-Wan and Anakin.

ANAKIN SKYWALKER:
How much longer must we wait, Master?

OBI-WAN KENOBI:
Patience young Padawan. Be mindful of the Living Force.

ANAKIN SKYWALKER:
Yes, Master.

We look on between the Duo to the Council, who are still engaging in non verbal expressions – we focus back to the pair – they look at each other.

OBI-WAN KENOBI:
(non-caring tone)
Let’s go.

the Duo hurriedly leave to board their ship.

SCENE 10: THE TRANSPORT SHIP

Bosch now flying the duo to their fate shows them around the ship. He then enters the cockpit and gets ready to depart. The cockpit lights fail and a quick nudge gets them working again. We cut back to the lounge area of ship sat down. Obi-Wan is training Anakin to lift something up.

OBI-WAN KENOBI:
Good. good. Concentrate. Remember the Force must flow through you. Think of tranquillity, birds singing, flowers growing, your wife...

The item crashes to the floor.

ANAKIN SKYWALKER:
I'm sorry, Master. I can't help but think of my family, and what I've left back... home.

OBI-WAN KENOBI:
Fear not, young Skywalker. In time, you will discover the balance between that which is of thought, and that which is of substance, and you will find, my apprentice, that to maintain that balance is as easy as moving this lightsaber.

He moves the lightsaber perfectly.

ANAKIN SKYWALKER:
I still don't see how you do that with so little effort, Master.

We hear a fly start to buzz.

OBI-WAN KENOBI:
When you are a fully trained Jedi, you will realise that the powers of the Force are sometimes just a little too easy to use.

Obi-Wan tries to swat the fly, and stuff gets thrown about the ship, forcing Anakin to duck. Obi-Wan gets up and starts to make a cup of water.

OBI-WAN KENOBI: (cont'd)
Would you like a cup of water, Annie?

Anakin nods

Obi-Wan goes to replicator

OBI-WAN KENOBI: (cont'd)
I should warn you though, I haven’t made tea in a long time... a long time. It mightn’t be very good. You know, being here on this mission reminds me of the time when I was an apprentice being taught the ways of the Force.

ANAKIN SKYWALKER:
What do you mean, Master?

OBI-WAN KENOBI:
I was once like you. Young, impulsive, eager to fight the good fight, but you know, I had to learn, as you will, that there are alternatives to fighting. It took something quite extraordinary for me to learn the true value of patience.

ANAKIN SKYWALKER:
What was that, Master?

OBI-WAN KENOBI:
All in good time, my young Padawan.

ANAKIN SKYWALKER:
So did you have any trouble mastering the Force?

OBI-WAN KENOBI:
You are inquisitive aren’t you. Qui-Gon told me about that! Yes, I had a little trouble at first, but now it’s become second nature to me.

ANAKIN SKYWALKER:
So Master, how do you expect us to find the source of this disturbance?

Obi-Wan moves his cup around, and Anakin moves as well.

OBI-WAN KENOBI:
Do you not learn anything from my teachings my young friend? The Force will guide us.

We hear a noise as the ship is caught in a tractor beam.

OBI-WAN KENOBI: (cont'd)
I think I’ve found the problem. We’re caught in a tractor beam. We must go to the cockpit and assist the pilot.

Obi-Wan smashes his cup down, and Anakin falls onto his cup smashing it.

OBI-WAN KENOBI: (cont'd)
Come on, Anakin. This is no time for sleeping!

SCENE 11: THE GUARD'S ENTHUSIASM

We enter the Throne Room once more. The Emperor rotates from the window to command a subordinate.

THE EMPEROR:
Yes Commander. What is it?

COMMANDER WHEEZIE:
My Lord, Comscan has detected a small transport that has just blasted off from Naboo.

THE EMPEROR:
They are alerted to our presence. We must be swift. Move to intercept. Ready the tractor beam.

COMMANDER WHEEZIE:
My Lord, I anticipated your request, and already have the ship in our tractor beam.

THE EMPEROR:
I see. Well done, Commander. (we hear the rumbling noise of the Force) Your initiative serves you well.

The Emperor kills her.

THE EMPEROR: (cont'd)
No one likes a smart-arse!

The Emperor signals the guards to take the body away.

THE EMPEROR: (cont'd)
Now you have all witnessed the true power of the dark side of the Force.

THE IMPERIAL GUARDS:
Yes my Lord.

THE EMPEROR:
Recall the bounty hunters. Everything is proceeding as I have foreseen.

SCENE 12: THE TRACTOR BEAM

There is a rumbling noise and the ship is shaking as the tractor beam draws the ship towards the Emperor's ship. The Alien pilot is panicking speaking gibberish although Obi Wan understands him clearly.

BOSCH:
Hapablapbalpalabppablpabl!

OBI-WAN KENOBI:
I know, I can see it.

ANAKIN SKYWALKER:
You can see what?

BOSCH:
Hap babplabplabapblp pablpalp hap!

OBI-WAN KENOBI:
Well, see if you can avoid it.

ANAKIN SKYWALKER:
Avoid what?

BOSCH:
Hpplpalhahlp ahlpahlp lpalhplahlp !!

OBI-WAN KENOBI:
Try using auxiliary power. That should help.

ANAKIN SKYWALKER:
Will someone please tell me what's going on?

OBI-WAN KENOBI:
If we don't get out of this tractor beam soon,we shall be blasted into oblivion.

There is a massive explosion and jolt and smoke. Bosch dies. Anakin goes to the controls.

ANAKIN SKYWALKER:
That ship must be at least 8 yarems long.

OBI-WAN KENOBI:
Yes,its configuration is like none I have ever seen. There's nothing we can do here. We must follow our fate.
(MORE)

OBI-WAN KENOBI: (cont'd)
I suggest we go to the secret compartments before we are boarded. It’s our only hope.

They start to leave the ship.

ANAKIN SKYWALKER:
You were right about one thing, Master.

OBI-WAN KENOBI:
What’s that.

ANAKIN SKYWALKER:
the negotiations were short.

SCENE 13: PHATS AND SMALL

We begin at the Emperor’s Guard Control Centre. We hear a beeping noise, which then suddenly stops... The Guards look at each other. They are very concerned.

IMPERIAL GUARD #1:
The reading’s gone!

IMPERIAL GUARD #2:
What? You’d better tell him.

IMPERIAL GUARD #1:
Me?

IMPERIAL GUARD #2:
Yes!

IMPERIAL GUARD #1:
Why can’t you do it?

IMPERIAL GUARD #2:
Because I did it last time!

IMPERIAL GUARD #1:
So?

THE EMPEROR:
Guards! Is there a problem?

IMPERIAL GUARD #2:
Yes.

IMPERIAL GUARD #1:
No.

IMPERIAL GUARD #2:
No.

IMPERIAL GUARD #1:
No. Yes.

THE EMPEROR:
Just come over here!

IMPERIAL GUARD #2:
My lord. (The guards approach inform you that the life sign disappeared. There appears to the Emperor) I regret to signal has ... erm ...be no one on board.

THE EMPEROR:
You look concerned Commander.

IMPERIAL GUARD #1:
(gulping) N-n-no m-m-my Lord. It’s just that... you know... (He looks at where the last guard had been killed).

THE EMPEROR:
Fear not, faithful liege. You have done well, Commander.

The guards pivot to return to their posts. As they walk away Guard 1 is killed by the Emperor’s lightning.

THE EMPEROR: (cont'd)
Sucker! Guard, we will waste no more time with this ship. Destroy it immediately.

IMPERIAL GUARD #2:
Yes My Lord! At once my Lord!

We see the ship destroyed.

SCENE 14: THE FINAL CONFRONTATION

Obi-Wan and Anakin are hiding in a corridor in the Emperor’s ship. Two Battle droids march past.

BATTLE DROID #1:
What was that?

BATTLE DROID #2:
Ah, it’s nothing. Hot gases. Don’t worry about it.

ANAKIN SKYWALKER:
I still don’t see how we got past those guards.

OBI-WAN KENOBI:
Patience, young Padawan. Open your mind to the living Force and the path of your destiny will become less obscure.

We see more droids marching past.

ANAKIN SKYWALKER:
Master, I sense in the Force that perhaps the time for us to leave...

OBI-WAN KENOBI:
(dismissive)
Sure, fine. Whatever.

They split up. Obi-Wan goes round a corner to be confronted by an ambush of battle droids. He ignites his lightsaber. We cut to Anakin entering the throne room. Two bounty hunters move on Anakin as he enters.

DAFFY DUCK:
Oh No! It’s a Jedi Kni...

His head is cut off.

THE EMPEROR:
Welcome young Skywalker, I’ve been expecting you. You’ll no longer need those.

With a finger gesture the blaster and cloak are whisked away by the Force, leaving only his trusty lightsaber.

THE EMPEROR: (cont'd)
It is unfortunate to see you so soon.No matter,your journey to the dark side has already begun, my young apprentice.

ANAKIN SKYWALKER:
You’re wrong. I’m not alone, soon you’ll be dead and the galaxy will be free from your tyrannical Empire.

THE EMPEROR:
Perhaps you refer to Obi-Wan Kenobi. Let me assure you we are quite safe from your friend here.

We cut to Obi-Wan fighting. He is caught in an ambush. We soon return to the Throne Room.

THE EMPEROR: (cont'd)
And now I sense you wish to destroy me. Take your weapon, strike me down with it. Give in to your feelings, let go of your pity. Surrender your fear. I am your master now.

ANAKIN SKYWALKER:
I cannot allow these events to proceed. You must be destroyed.

Anakin ignites his lightsaber.

THE EMPEROR:
Perhaps you have not been introduced to my first apprentice, Darth Hopper.

Darth Hopper appears with a huge fan fare.

THE EMPEROR: (cont'd)
(turns to Hopper) I trust Lord Maul you recall that rather...embarrassing occasion.

DARTH HOPPER:
Yes my Master.

THE EMPEROR:
And how do you propose to redeem your intolerable shortcoming?

DARTH HOPPER:
I will have revenge.

Hopper ignites his lightsaber (single).

Cut Back to corridor. Obi-Wan is effortlessly deflecting repeated blasts from a lone Droid. We cut back to the Throne Room where Maul begins his attack.

THE EMPEROR:
Heh, heh, heh, heh. Good! Good!

THE EMPEROR: (cont'd)
Good, good. Show your aggression, give in to your anger, let go of your hate, Strike him down.

HOPPER & ANAKIN:
Shut Up!

THE EMPEROR:
(whispers)
Sorry!

Cut Back to corridor. Obi-Wan Spots a lone guard he gives chase only to be chased back by many Battle droids. Cut back to Throne Room.

The fight continues resulting in Hopper being knocked down. He gets up and extends his double-sabre and the fight continues before cutting back to Corridor]. Obi-Wan's saber is getting shorter. He hides behind a corridor wall as his lightsaber finally runs out of power.

OBI-WAN KENOBI:
I've got a bad feeling about this.

Cut back to Throne Room. Fight is more intensive than ever. Cut back to corridor. Obi-Wan recharges his lightsaber and kills them all with his extending sabre button. Back to the Throne Room Obi-Wan enters.

OBI-WAN KENOBI: (cont'd)
Anakin! Look out!

Obi-Wan ignites his lightsaber.

THE EMPEROR:
Well, well, perhaps I underestimated you after all. Now fulfil your destiny. Destroy him and stand by me as my apprentice.

OBI-WAN KENOBI:
Nice try, Emperor!

Immediately Obi-Wan spins and kills Darth Hopper.

THE EMPEROR:
You fools! What is the meaning of this?

OBI-WAN KENOBI:
Come on, Anakin!

Both Obi-Wan and Anakin are escaping from the Emperor.

SCENE 15: THE CHASE
